

Product Change Notification

Date: January 16, 2026

Dear Valued Customer:

You are receiving this letter to keep you informed of changes to products that you have purchased in the past. This is being provided to you for consideration during future purchases of the same products. Detailed information on this change has been included below.

Affected Product Part Numbers

Kit Part Number	Description
410-383-5EV	Genesys ZU-5EV Product Kit
410-383-3EG	Genesys ZU-3EG Product Kit
410-214	PmodBT2 Product Kit
410-359	PmodBLE Product Kit
410-377	PmodESP32 Product Kit
6069-410-121	BTH-1208LS Wireless DAQ

Change Description

NI is revising the regional availability of select Digilent wireless-enabled products to align with compliance and warranty obligations, reducing the areas where these products can be sold.

NI maintains comprehensive compliance documentation for EMC, Wireless, CE, and other regional regulatory frameworks to ensure the conformity of all products. As part of recent updates to how the Digilent portfolio is managed within NI's manufacturing and distribution channels, product availability is being aligned to regions where NI can fully meet applicable compliance and warranty obligations.

To keep you informed, NI will provide Product Change Notices (PCNs), Last Time Buy (LTB) opportunities, or End of Life (EOL) notices where applicable. All products previously sold by Digilent remain covered under their original warranty terms.

Impact

- The **Genesys ZU (both variants)** is no longer available outside of the United States and Canada.
- The **Pmod BT2** is no longer available outside of the United States and Canada.
- The **Pmod BLE** is no longer available outside of the United States and Canada.
- The **Pmod ESP32** is no longer available outside of the United States.
- The **BTH-1208LS** is no longer available outside of the United States and Canada.

Recommended Action

You are being notified of this change to help inform your future purchases of the above product(s). For applications in regions where these products will no longer be available, customers may consider transitioning to alternative devices.
